

Royal Tunbridge Wells Town Forum - Aims & Objectives

Dear Town Forum members

As the Royal Tunbridge Wells Town Forum is in its 5th year of existence, it is felt that we should review our Aims and Objectives.

At present they are:

<http://www.townforum.org.uk/administration/aimsobjectives-poster120308.pdf>

1. Royal Tunbridge Wells is becoming clear of 'Grot Spots' with priority on the Ritz Building Cinema Site by 2010.
2. Kent Highways (KCC) delivers the promised "high standard" regarding roads, pavements, streetlights and signs.
3. The town centre of Royal Tunbridge Wells becomes more pedestrian friendly.
4. A quality supermarket is reintroduced at the former Morrison's site, Station Approach.
5. Adequate and appropriate leisure facilities are available for ALL ages.
6. Royal Tunbridge Wells is promoted as a centre for Art and Culture.

It is often said that some Ward Councillors declare that they do not really know what to do with the Town Forum. - Please let me remind those Councillors that the Town Forum was not set up by individuals, but by the Council itself and its continued to be administrated by the Council.

"The Royal Tunbridge Wells Town Forum is a partnership between Residents' Representatives and Ward Councillors in the town of Royal Tunbridge Wells, the unparished area of the Borough of Tunbridge Wells, Kent. It was formed in July 2005 with the purpose of addressing local issues."

Maybe this is the right moment for **all Town Forum members** to tell **if** you want to change or even add something to the Aims and Objectives.

Please let me know as soon as possible so that we can debate "Aims and Objectives" at the next Town Forum, 28 January 2010.

Thank you and a Happy New Year to you all.
