Dear Mr. Thomas

Re: Tunbridge wells station

Thank you for your letter and enclosures of 8 June

Improvement works are planned at Tunbridge Wells station as part of the National Stations Improvement programme. The work is still being scoped, and my colleague Nina Peak , our external partnership manager is in preliminary discussions with Tunbridge Wells Borough Council.

We would welcome local input into the process, and once we have a better idea of the likely scope of the works, Nina will be in touch with you to arrange a meeting.

Best wishes

Yours sincerely
