Taking everything into consideration, overall how would you rate the document? Good

Detailed Representation

[Edit Detailed Representation](#)

To which section does your representation relate?

Section GENERAL

Paragraph

What is the nature of your representation? Support

What is the reason for your objection/change? Feedback from members of the RTW Town Forum

What is your proposed improvement/change/new section? The document was accepted by members of the Royal Tunbridge Wells Town Forum to be helpful and well presented.

Individual members commented:

"As the document's implication goes beyond 'Alterations/Extensions' (para 1.6), it might be too general and one should not ignore the need for early advice on project-by-project".

'Good design' (para 3.1) is not something which can be defined easily. Who will decide what is high quality?
